Though he was in the form of God,  
he did not consider being equal with God  
something to exploit.  
But he emptied himself

by taking the form of a slave  
and by becoming like human beings.

When he found himself in the form of a human,  
he humbled himself by becoming obedient  
to the point of death,  
even death on a cross.

Therefore, God highly honored him  
and gave him a name above all names
