

Prayer Requests & NEWS FROM FAITH UMC

FEBRUARY 19, 2012

CONTINUING PRAYERS:

- ★ Melba's **Aunt Earline**, undergoing treatment on her hands and feet.
- ★ For **Jack & Donna**, love and hugs coming your way.
- ★ **Ted** we rejoice in having you in worship with us today and continue to hold you 'tight' in our prayers.
- ★ **Jill**, keep up the good work. We know you can 'kick' this habit which will help your health. Feel our blessings everyday.
- ★ **Nelson**, we think of you and pray for you that you will be able to stay in your own home for a long time to come.

NEW CONCERNS:

- ★ **David Lawson** is in the hospital in Vancouver, WA. Not entirely sure of the problems yet. Prayers for David, for Tammie & Rebecca during this uncertain time.
- ★ Tonni's friend, **Richard Friend** had a stroke following (or during) surgery this past week. Please keep Richard in your prayers as he works to recover.
- ★ Patty ask for prayers for her cousin, **Lexie**, who is having a tumor removed from her brain. Also prayers for her sister-in-law **Becky** who is being checked for breast cancer.
- ★ Rhonda's co-worker, **Linda**, is struggling with a bronchial infection which seems to be going into pneumonia.
- ★ Prayers for Melba's sister-in-law, **Felicia**, also fighting a 'nasty' cold. She has been home from work over a week now.

★ Pam ask for prayer for her friend, **Laura, whose guide dog was hit by a car.** The dog is ok but will not be able to continue as a guide dog due to the trauma of the accident. Laura's sister will keep the dog and Laura will be training with a new dog. However it is very traumatic for Laura as she and her dog are 'very best friends'.

★Maxine shared that her friend **Patty** who lost her husband fairly recently has now lost her mother, she needs surrounded by our love in this difficult time.

★ Pastor Karen ask for prayers for **Brooke and her children** who are now out of an abusive home and in a safe place.

JOYS:

★ Shirley ask for prayers for **Charity**, who is expecting a new baby.

★ Joy that **Ken** is bringing his family home to the area TODAY, Dave ask for safe travels over the mountain for Ken and family.

Dear Lord help us each day to recognize the many joys in our lives, and to KNOW that you are always with us in good times and through the dark days too, surrounding us with your love. THANK YOU LORD.
