*“...as you have done it unto the least of these, you have done it unto me.”*

## The Master Plan

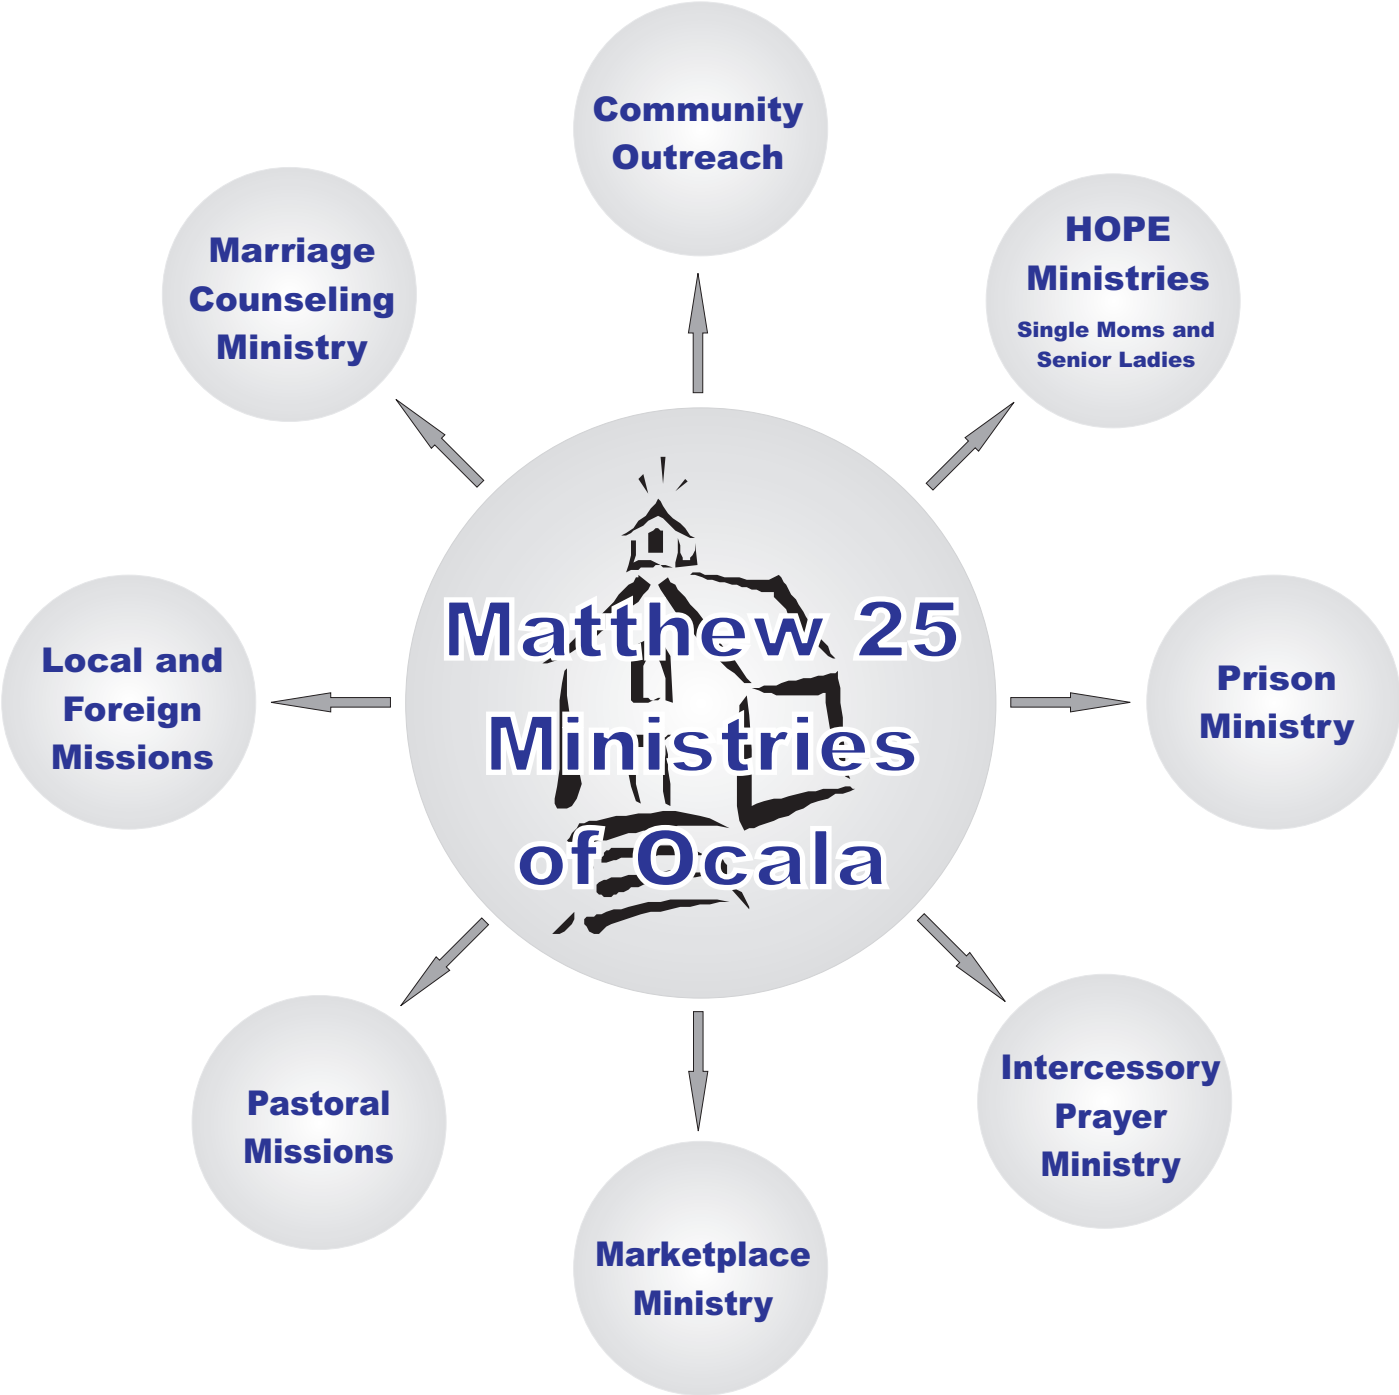

Matthew 25 Ministries of Ocala was born out of the work place ministry of

We meet for worship in the JRS Chapel located in beautiful Ocala, FL right in the middle of horse country. Our plan is to reach thousands of souls with the message of the gospel and to share the love of God throughout our community and across the globe. Our goal is to take the ministry to where the people are through what many now call the “Matthew 25 Bubbles.” (see illustration on p.2) Each bubble represents a current ministry with the expectation of adding more bubbles (ministries) as we grow.

# The Vision

To pool the resources of members, supporters and businesses to fund various local and foreign missions to spread the gospel of our Lord and Savior Jesus Christ.

# The Mission

*“To share the Love of Jesus to Ocala,  
to Florida, the United States and to  
the ends of the earth.”*

*Acts 1:8*

# The Purpose

*“To network with like-minded Christ Followers,  
Churches and Ministries to advance the  
Gospel in word and deed at home and  
abroad.”*

# The Body

*“For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others. We have different gifts, according to the grace given to each of us...”*

*Romans 12:4-6a*

Our Senior Ladies are the Ladybugs.  
Most of the ladies are widows and enjoy  
getting together with each other for lunch or  
breakfast wearing their red ladybug t-shirts.  
We offer encouragement, companionship  
and so much more.

John and Nadine have a vision to bring churches together for the purpose of raising awareness and support as well as sending out missionaries to spread the gospel in our own back yard and over seas.

Matthew 25 Ministries of Ocala is brand new. Currently, we have 4 full-time employees with a weekly budget of \$3,800. Our support comes from our members and a couple of corporate contributors. Our plan is to bring in additional members and get more corporate support.

At this time, 75 percent of our budget goes towards employee salaries. Our meeting space as well as office space is donated. 10 percent is used for office supplies and the remaining 15 percent goes directly into our various ministries.

Our dream would be to open a ministry hub that would house various local ministries and resources where anyone would be welcomed and pointed in the right direction based on the needs they have.
