

Prepared Through Song

This handout is an updated revision of a previous blog post – CB1C;18

Endurance Ministries (EM) exists to serve God's Kingdom purposes in these *end of days*. This includes ministry to believers (**Discipleship**) and unbelievers ([Gospel ministry](#)) alike.

One of our major **discipleship** objectives is to help better foster **ENDURANCE** in Christ during these days of apostasy.

As we address end-time Bible data – including both [chronological](#) and [thematic](#) concerns – we call God's people in Jesus Christ to be like the Bereans of old (Acts 17) who received the message of Paul but did so in light of the Scriptures. Acts 17:10, 11 states it this way:

Then the brethren immediately sent Paul and Silas away by night to Berea. When they arrived, they went into the synagogue of the Jews. These were more fair-minded than those at Thessalonica, in that they received the word with all readiness, and searched the Scriptures daily *to find out* whether these things were so. (NKJV)

Our EM ministries addressing pertinent-to-today chronology and thematic concerns are many, including the bringing of quality PPT presentations. (Note: Because many of our visual aids on end-time Bible chronology and themes are made *live*, we don't post them on the Internet. Please have us come your way in order to *personally* share these helpful materials with you. Use the "Contact Us" link at the top of this page to inquire further.) Your best interests are one of our sincere goals in all this.

In 2016 EM opened a "Building Project" which serves to contribute to this appeal: Saints in Jesus Christ need to further embrace GOD's end-time **perspective**. In light thereof, our building project is NOT a physical building enterprise but is a project seeking to build *perspectival* readiness as called for by our Lord Jesus.

In this we wish to promote better mental preparedness in order to face the days, months **and** years ahead. (Yes, Christ will **not** return in the next few years [[2021 – 2023](#)] due to biblical data which we've addressed in prior blogs!) One way to do so – to further encourage mental preparedness – is to contribute to the building of perspective through SONG. We are wanting to put songs before God's Saints in Jesus Christ, songs which foster endurance as they are sung in praise to Him. So here are some additional details of this portion of our building project, one we're calling *Prepared Through Song* ...

Our THEMATIC appeals, as outlined in the 7th chapter of our book, *The Final Trumpet Rapture Gathering: An Introduction*, **are these** :

[themes are listed on the left]

<u>Endurance</u> , Persecution, Deception Personal Idolatry Truth Foundation Great Darkness Separation Antichrist Jesus Christ returns,	in the context of and is crucial! Openness to God's will protect against which is unfolding today. from the world is wise. Soon, the will be revealed, but just as He said.

Additional details of the *Prepared Through Song* ministry effort (one which we would appreciate **your** help bringing) are these:

We would like to *team* minister ENCOURAGEMENT during these more challenging times and we would like to do so through SONG ... with **you**. Yes, we'd so appreciate your help with this God-honoring project! In case we've not been clear, we are asking folks to send us song, hymn, chorus (etc.) **titles** which speak to the end-time themes listed above.

Once we've received and compiled 100 quality title entries (which we discern and decide accomplishes our goal), we will send contributors (to the list of songs) the document which can then be used by our *team* members to minister in their churches and personal outreach efforts.

Care to join us in this Christ-honoring project? If so, please email our ministry director at email@endmin.org. Please include your song title entries when you write. THANK YOU. And please pray in support of all of our ongoing ministry efforts through 2025.

In closing, may we better discern just how late we are (in the setting of Bible prophecy before our Lord's soon initial appearing). The time is short! Are YOU ready? As we further prepare, may we **delight** in His continued PEACE and JOY as we press on in songs of adoration of our soon-coming King – Jesus Christ!

Team Members:

Please extend this invitation to others – for their best interests, for the sake of further reaching the lost, for the edification of God's Church in Jesus Christ and ultimately for the glory of YHVH/YHWH God.
