

Batting 1,000

We* are currently batting 1,000 (that is, 100%) after well over 7,000 *at bats* since 1999.

By God's grace, we (and His people in general) are able to correctly forecast some future events (and, in the case of THIS stat in THIS article, we are also able to correctly deny claims tied to other future events – ones in conflict with Bible data) because our predictions are based on the explicit content of God's Word. We have no control over our prophetic announcements. In other words, we cannot fabricate prophetic fulfillments.

At this juncture, we'll simply repeat our earlier **thus-says-the-Lord** prophetic announcement:

“The rapture of the Church will NOT take place in 2018, 2019 or 2020.” (see our commentary blog CB1C;18 at www.truthfoundations.org/home/archived2018commentary.html, a blog which also addressed this matter) This prediction unfolds in the context of daily fulfillment in this way: **“The rapture will NOT take place today.”** This is True in light of II Thess. 2:1-12, the books of Daniel and Revelation, Matthew 24 & 25 and, in general, in light of the full eschatological Counsel of God's Word. Since we've now entered 2019, we'll make our calculations based on January 1, 2019.

So if we were to add – figuring from January 1, 2019 – another 731 days (for 2019 and 2020) to our present *at bat* average, we will, at the conclusion of 2020, still be batting 1,000 ... after 8,000+ *at bats*. Each *at bat* when we *step up to the prophetic plate*, we seek a “hit.” Our prophetic *hit* is this: Being accurate concerning our daily *at-bat* predictions that **“Jesus Christ will not return today.”** We figure 1 bat/day due to the popular (but incorrect!) view which teaches *Jesus Christ could return any day*.

As we did in blog B24;17 (posted in the 2017 archived weekly blogs at www.truthfoundations.org), we need to confess **HOW IT IS** we are able to bat 1,000 on this prophetic topic:

The entirety of God's Word is Truth – Psalm 119:160. As we allow HIS Word to say what it actually says, we evidence our Truth Foundation, which is this: God's holy Word. **ANYONE could share the batting average we hold. Folks simply need to affirm the unadulterated Word of God and avoid mixing it with unbiblical opinions and/or interpretations of men.**

It – the Bible – says what it means and means what it says, affirming the reality of various genres existing in the equation. So DON'T look to us for Bible prophecy. Look to the Word of God.

May the Word of God enlighten us such that we are among those who “understand” – Daniel 11:32-35 – whereby we rightly discern the season. May His precious Holy Spirit bring illumination as we endure in listening to YHVH/YHWH God!
May we apply what we learn and obey God's protective Counsel. Amen

This 2021 © handout (above) is provided by *Endurance Ministries and is intended to further encourage the Church to go to GOD's WORD for the TRUTH concerning accurate prophetic Counsel.

Our new (2020) *thus says the Lord* appeal on this matter, based on Scripture, is this:
“The rapture of the Church will NOT take place in 2021, 2022 or 2023.”
