

An Early Example of The Exposing of Relative Truth

Protagoras: Truth is relative, it is only a matter of your opinion!

Socrates: You mean that truth is mere subjective opinion?

Protagoras: Exactly! What's true for you is true for you, and what's true for me is true for me. Truth is subjective.

Socrates: Do you really mean that? That my opinion is true by virtue of its being my opinion?

Protagoras: Indeed I do!

Socrates: My opinion is: Truth is absolute, not opinion, and that you Mr. Protagoras, are absolutely in error! Since this is my opinion, then you must grant that it is true according to your philosophy!

Protagoras: You are quite correct, Socrates

We're our worst enemies at times.

Let's not embrace foolishness
(e.g. Protagoras' perspective)!

We have a choice:

Live and enjoy a worldview second to none, one found only in
Jesus Christ OR live the way of the world, the flesh and the devil.

See us for details as to how you can enter
into a personal relationship with the Creator
of all things: God most High. There's nothing
more important than this. Eternity is a long time!
