Question: So why don't we RUN to God and all His beauties?

Answer: *I can only imagine*, yes, BUT, it doesn't have to end with our (greatly limited) ponderings! **God's WORD** offers further clarity IF we would exercise humility of spirit enough to allow our eyes to be opened as we read its pages – allowing the Holy Spirit of God to illumine our minds OUT OF the dark pits of the perspectives of the world, our flesh and the devil.

May God help us better discern the deceptions so many are currently in bondage to – for our personal protection, for the sake of many lost souls (still needing an eternal [peace with God](#) which only God can provide) and ultimately, unto His glory and praise. *Thy Word is a lamp to our feet and a light to our path!* Psalm 119:105
