

A NOTICE tied to COMMUNICATION EFFORTS:

Another evidence of Bible Truth – namely, the **reality** of spiritual worldview warfare ...

Because our more personal communication efforts with you have been **ATTACKED** by those who oppose our services, we can no longer promise (our) response to emails from legitimate contacts. Our enemies are flooding our email addresses with junk mail.

Given we can no longer be sure these emails are safe to open and given time restraints – we simply cannot take the time to open the amount of junk mail we are presently receiving, even using filters – we can **NO LONGER** sufficiently decipher between sincere and insincere emails.

Question: Does this “close” our more personal communication efforts with those of you who send us honest mail?

Answer: **NO!** but we do need to ask for your patient (it does slow the communication process down) understanding on this matter ...

Please communicate with us via hard copy mail.
“Snail mail” correspondence is now the best way to contact us.

Endurance Ministries
P.O. Box 92098
Portland, OR 97292

Once we *hear* from you, we will email a response **IF** you include your email address **OR** we will respond through the USPS system by sending a hard-copy response (if you do not include your email address).

IF you provide your email contact information, we will contact you using one of our *unpublished* email addresses – ones which are **NOT** receiving the hoard of junk mail which our other email accounts are receiving.

THANK YOU for understanding our need to respond to dark opposition to our ministry efforts. Satan and his servants are definitely at work today, **BUT GOD** continues to allow us means to press on in ministry service, in this case, in ministry tied to more personal interaction with you.

To make Him – Christ Jesus – known and to know Him more,

Jon Swanson
