Hi TBC kids! I hope you are having a good week! The return to school date has tentatively been set for August 26. If that happens you would have been out of school over 5 months. I am so glad that you have stayed healthy and at the same time found new and different things to keep you busy and happy! I have tried to encourage you through these weekly articles to do things to keep you engaged in something fun and/or productive. Read a good book. Do puzzles. Play board games. Do a craft. Some of my best times was spending time in my Dad's garage building something out of scrap wood. I made a lot of boats that never would float (probably used too many nails). A lot of you have taken walks or hikes. Go fishing or camping. Help Mom or Dad clean out the car. Clean out closets and take toys and clothing to the local charity. Gee! I am tired just listing a few things you can find to keep you busy! There are plenty more.

I guess I am saying, just do not wish the time away hoping things will get back to normal. Let God do his work in your hearts. Life is learning to trust and obey God during difficult times. Pray --HE will listen. Rejoice that God is with you always - yes, especially during difficult times. Prayers to you and to your family. We miss you and hope to see you soon! Trust God, Bless Others, Celebrate Grace!

## Welcome Back to Worship!

Third Baptist Church will host our first worship service since March in the sanctuary on Wednesday, July 8<sup>th</sup> at 6pm. The staff and Leadership Ministry Team have been working diligently to organize and prepare for what we pray is a meaningful time of worship. A date to resume our Sunday service has yet to be determined, and we will continue to worship together by radio broadcast and on Facebook at 10:45 am.

Corporate Worship is a special time to join in a spirit of victory, praise, and celebration. Because of our commitment to the safety of every valued member of our family, our service will be unique to prior experiences. We ask for your cooperation.

If you are at a higher risk for severe illness per CDC guidelines; have had fever, or signs of illness (coughing, shortness of breath, sneezing, etc.) or have had close contact with a person who has symptoms or been diagnosed with Covid-19, we ask that you remain at home. The worship service will be broadcasted live on our Facebook page.

Our goal is to come together for worship and bible study in the safest way possible and ask that each of you adhere to the guidelines listed below.

Park in the north parking lot and enter the building on Allen Street.

Masks are required and will be available if you need one.

Maintain a physical distance of six feet between families.

Ushers will seat you once you enter the facility.

Restrooms are closed and only available for emergency use.

Bring your own Bible; the pews will be emptied of all materials.

Childcare Center will not be available. Children must remain with their parents.

We are very excited and look forward to seeing each of you again!
