## IT'S ALMOST DONE!

The windows have been installed; the walls have been painted and it's time for flooring! Our new sound system is next! Pictures will be posted soon on our Facebook page.

# *updates from* **PASTOR MICAH**

I feel like my seminary studies and pastoral experiences have prepared me to handle most situations that arise in the church. Unfortunately, my arsenal is quite limited when it comes to combating worldwide pandemics. While I cannot cure virus, I can still be your pastor. I will pray for you, encourage you, and even challenge you throughout this current crisis. I will push our staff to be their best in spite of grim circumstances. Sadly, we are unlikely to gather together in the same building for days, weeks, or possibly longer.

Currently, we are focusing our efforts to build our online community. If you are on Facebook, then you will notice the constant updates. We want to use this as an opportunity to keep you informed on church decisions. We also want to provide resources that will help you through this season that will, hopefully, soon pass.

Our church mission statement begins with the words “Trust God.” This is my recommendation to you. While we take COVID-19 seriously, we trust, like the Apostle Paul, that “God’s grace is sufficient” in our time of need.
