MISSING YOUR SUNDAY SCHOOL CLASS?

JOE BOB PIERCE
Minister of Formations
Cornerstone Counseling

While we are uncertain what date we may actually be able to hold services again, we certainly will not be able to have group meetings such as Sunday School for a while. What you may or may not know is that a couple of Third Baptist Church Sunday School classes have been holding virtual meetings online. "Women of Faith" and "Another Look" class meet at different times using a computer application called "Zoom." The classes are held on Sunday mornings and Friday evenings. Zoom is a fairly easy program to load on your phone or computer/iPad and it allows participants to see and talk to one another. It's a great way to 'stay safe' while engaging in growth and discussion with your fellow members. Please feel free to join one of the classes by contacting the church office and giving us your email address. This way, you can attend Sunday School for however long you need until we can meet again in person!

WORSHIP SERVICES

Would you and your family like to participate in the worship service by praying or reading scripture?

Call, text or email Micah or David and let them know.

I want to take a moment to tell you how impressed I've been by the congregation's giving while we've been quarantined. In the past, when we have cancelled services because of weather, our offerings have suffered greatly but during this extended time our offerings been close to or exceeding our weekly budget goals. The new online giving portal has been very successful and many of you have been mailing in your contributions faithfully. It shows you what an amazing group of people make up Third Baptist Church. Thank you for your faithfulness to our church and its mission!
David Roberson
