

**DAILY PRAYER**  
(for the week of Feb. 14 - 20)

O Lord,

You are mighty and gracious beyond all my imaginings. Yet, you have made me, and I am yours. Let me praise you like the flowers and the birds, in my simplicity. Because I am mortal, my offering will be frail and temporary. Yet, let it be filled with all the gratitude my heart can hold. Because I am sinful, my offering will be marred by error and imperfection. Only by your boundless grace can my offering be acceptable. Yet, in Jesus, you bid me come and love. Amen.
