HABIT FOR HUMANITY LOOKING FOR VOLUNTEERS

Habit for Humanity works to put God's love into action, bringing people together to build homes, communities, and hope. Their vision is a world where everyone has a decent place to live.

Volunteers are a vital part of their mission and vision. Habitat for Humanity Palm Beach County is looking for volunteers in their Thrift Store where a retired woman/man, a stay-at-home mom, a student, a church member, or someone new to Palm Beach can give 3-4 hours a week and meet new people, have fun, dig through treasures, greet customers, complete community service hours, and learn a new skill.

In honor of Memorial Day, we look at the historical letter of Abraham Lincoln consoling Lydia Bixby, a widow living in Boston, MA, who was thought to have lost five sons in the Civil War.

Executive Mansion,

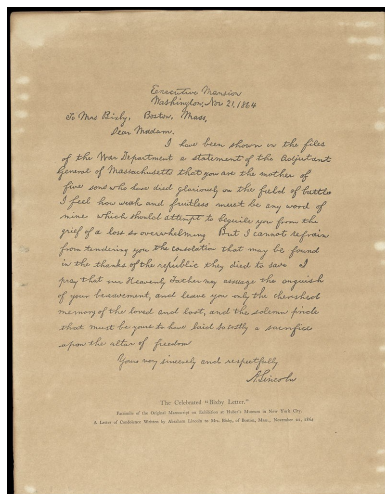

Washington, Nov. 21, 1864.

Dear Madam,

I have been shown in the files of the War Department a statement of the Adjutant General of Massachusetts that you are the mother of five sons who have died gloriously on the field of battle. I feel how weak and fruitless must be any word of mine which should attempt to beguile you from the grief of a loss so overwhelming. But I cannot refrain from tendering you the consolation that may be found in the thanks of the Republic they died to save. I pray that our Heavenly Father may assuage the anguish of your bereavement, and leave you only the cherished memory of the loved and lost, and the solemn pride that must be yours to have laid so costly a sacrifice upon the altar of freedom.

Yours, very sincerely and respectfully,

A. Lincoln
