

DAILY PRAYER
(for the week of June 19 - 25)

Heavenly Father,

We thank you for the beautiful day and the many ways you meet all our needs! Thank you for the years of service of Dr. John Griswold, who has continually wrapped us in messages of love. Be with him and bless him as he transitions to his new church in Bradenton, Florida. May his new congregation also be blessed by his messages of love. We thank you for bringing home Rev. Susan Gray and for the work she has done at her church in Ocala. We pray for both our pastors and their congregations as we all transition to new chapters in our church lives. Bless and anoint both congregations and pastors, and continue to use us all in mighty ways for your Kingdom's work. Whenever you ask, "Whom shall I send?", may we always step forward and say, "Here I am, Lord --- Send me.". Amen.
