

Huffman Baptist Church Prayer Ministry For 2011

Blessings and greetings in Jesus' strong name! Below you will find a few thoughts to keep in mind as you participate in the prayer ministry for 2011. I am excited and looking forward to what our God may do in response to a group of people praying Kingdom prayers! Now consider a few things...

When you go in to the prayer room, move the sign on the door to "In use" (Red). When you leave make sure to return it to "open" (Green). Don't forget to sign the log book on the table so there's a record of your time in prayer.

Be on time. If you are the "first hour" prayer (During Sunday School, during Discipleship Training, or during Supper), be sure to leave on time so the next person can begin their time with the Lord. If you are one of the "second hour" prayers (After Sunday School... after Discipleship Training... after Wednesday supper), wait for the other person to leave the prayer room before you enter.

When it is your hour to pray, go into the room... open the Prayer Guide on the table... turn to the tab that has the time you're to pray... and follow the prayer guide. It's that simple...

As your pastor I am requesting that those who participate in this specific season of prayer unite together in praying "*Thy Kingdom Come.*" This means that all the requests and petitions that are offered to God will center and focus on *Kingdom* matters which will be explained later. Requests for illness, sickness, the bereaved and like requests are lifted up during Wednesday prayer meeting and during Sunday School.

On the following pages I suggest what I'd like for people to for during the specific hours they are praying. The Kingdom requests are different for whether a person is praying during Sunday School, Morning Worship, Sunday Evening Discipleship Training, Sunday Evening Worship, Wednesday Night Supper, or Wednesday Prayer Meeting.

I know you may not be able to pray over/for everything that is suggested for a particular time... and that is okay. Just pray over whatever you have time for OR what God leads to pray over. Our God is able to take what we pray and through the Holy Spirit deliver it as He would have it done. So don't stress over it being too much for the time allotted to you.

The last week of each month a card will be sent to you with the time you are scheduled to pray. Put it somewhere so that you won't forget your time. The schedule will also be located on the church website (www.huffmanbaptist.org) for your convenience. If you have an email account, each month an email will also be sent to you as a reminder.

God bless you,

Ron
