Summer Ministry Guide

WORSHIP | GROW | SERVE

Welcome to Summer!

Adventures at the pool, travel and family vacations, summer cookouts, camp, watermelon on a hot day, no school, or perhaps the excitement of when your kids will be back in school. What are your favorite parts of summer? This season is packed and this guide is our attempt at organizing the many opportunities to participate in activities at UALC.

We've organized the activities into three categories; Worship, Grow, and Serve. You can see each category distinguished by color. Please take the time to read each category description and section. Maybe challenge yourself to look for one new thing that you didn't know about, and whether you get involved or not, pray for that ministry and for those who will be impacted by it.

I pray that this guide provides an on-ramp to some of your favorite parts of summer, and I pray that this season is both full of activity, but also full of peace and rest for you and all of those around you.

Grace and Peace,
Jack McClintock
Director of Communications

[WORSHIP]

At UALC we want to worship God with everything we have—heart, soul, mind and strength. Every week we join together to praise God for who he is, to hear the Good News of God's Word, and then to respond in faith and go into our weeks joining in his mission. But we can't love God with everything we've got, once a week. Worship is an everyday, every hour kind of thing. Between Sundays we worship God through prayer, fasting, studying the Bible, laughing with our kids, sharing a meal with a neighbor or doing our best at work. Worshipping God with everything means that everything can be worship.

Welcome to a life of worship! Commit yourself to gathering each week to worship with the family of God, and develop or deepen daily practices that will help you offer everything to God as an act of worship.

SUNDAY AT UALC

We gather weekly to worship God and encourage one another in the faith. We hear from God's Word and participate in the sacraments of communion and baptism.

[G R O W]

As we pursue life with Jesus, we discover our desire to be more like him. To live like him with soft hearts, engaged minds, open hands, and whole spirits. This spiritual growth takes intentionality though.

It happens when we pursue life in community, where everyone is known, loved, cared for, and challenged to grow in Christ together. It happens when we engage in next step workshops with opportunities for more focused learning. Families are equipped as they grow in faith together, and all individuals are equipped for personal spiritual growth.

[SERVE]

As we worship and grow together, Jesus also calls us to love our neighbors and serve together. UALC is passionately invested with our mission partners. We seek to reach and serve our world, and invite our unreached neighbors to catch the love of Christ with us as we serve together at UALC and we are committed to meet real needs in our community, to continue being known for the love and care of Christ. We serve regularly and lead others to serve as we give generously of our time, talent, and treasure.
