

About the Artist

Grace Cox-Johnson is an internationally-known visual artist and has created works for churches and clergy all around the world. Her work has been featured at the United Methodist General Conference; United Methodist Annual Conferences including Wisconsin, Missouri, Northern and Southern Illinois and Kansas East and West. Grace has been the artist in residence for both the Presbyterian Association of Musicians conference at Montreat Assembly and the Fellowship of United Methodist Music and Worship Arts at Lake Junaluska as well as the national FUMMWA convocations in San Francisco and St. Louis. She also served as the visual designer for worship space at the United Methodist Christian Educators National Conference in Albuquerque NM. In addition her work has been featured annually at the Festival of Homiletics for nearly two decades.

Worship Art Workshop

With Fiber Artist Grace Cox-Johnson

Friday, September 16, 2011

5:30 — 9:00 P.M.

**Faith United Presbyterian Church
Monmouth, Illinois**

Sponsored by the
Monmouth College
Office of the Chaplain

About the Workshop

Churches are invited to send a small group of members to work with fiber artist Grace Cox-Johnson in creating a new banner or a new set of paraments for your church. During the workshop Grace will share ideas, images, and artistic inspiration to make your sanctuaries come alive with your own unique paraments, banners, and liturgical art. Grace is especially interested in helping congregations use the resources available to them on a limited budget to create aesthetically inspiring sacred space.
