We look forward to meeting you during and after the service. An infant, toddler & pre-school nursery is also available during both Sunday morning worship services and Sunday School. Help a student with a college education: Several members of LUMC have been most generous to contribute funds in the last 3 years to help four graduates of Living Hope High School in Kenya, Africa finance their college educations. LHHS is totally financed and supported by the WV Annual Conference of the United Methodist Church. The Students' accounts are needing a little replenishing as two of the students are hoping to finish in the coming year. If you would like to make a contribution, please give the checks made out to <u>RUMC-LHHS</u>, to Diann Hayes. We can give you their names and email addresses and you can communicate directly with the students. A single semester in Kenya costs about \$1,000, a real bargain compared to the United States!
