Outreach for CDC Children

As part of the Church mission to our local community, the Methodist Weekday Child Development Center (MWCDC) is pleased to report that we are growing. This summer we have 32 children on the rolls. Indeed, more would attend, if it were not for the fact that their working parent(s) are unable to meet the school's tuition requirements.

If you, as members of FUMC Brenham, do have the "financial means" and would wish to "sponsor" a child, the MWCDC Advisory Board would ask that you signal your support by making a gift to the CDC Scholarship Fund. This can be done as a one-time event (check), or set up as a monthly transfer (automated). Whichever method you choose, please make your donations directly to the CDC. Your gifts to the CDC are fully tax deductible and you will receive a separate year end statement for contributions. If you wish to participate in the automated giving option, go by the church office or request an email ACH form be sent out to you.

With your continued support, FUMC Brenham, through the Methodist Weekday Child Development Center, is making a difference in the lives of young children and their families and for that we again thank you.

****Thank you to those of you who generously gave to the scholarship fund!****

Thank You for your food donations!!!

A huge "Thank You" to those of you who donated ramen noodles, peanut butter, cereal and pinto beans to the youth for their mission trip to South Texas! Donations will still be accepted up to June 24th.

Thanks FUMC

First United Methodist Church in Brenham can always be counted on when there is a special need in Brenham, in a surrounding area, or even a surrounding state. In this case we had a request from UMCOR to refill their supply of flood buckets, to help those families along the Mississippi River and in the areas where tornados caused unbelievable damage. Our church stepped up and donated almost \$1000 to this special fund. The money will go to UMCOR in Baldwin, Louisiana, and will be used to assemble flood buckets for immediate distribution. Thank you all for helping when the need is great.

Pat Clark - 2011 Missions and Outreach Chair

God is so good! We had a record number of children this year at VBS, our numbers doubled from last year. We poured the good-news of Jesus into 140 kids everyday for five intense days. It took over sixty volunteers and endless donations from our congregation to glorify God through music, science, recreation, baking, and bible stories/drama. Your generosity and love for God is so evident here at FUMC! Thank you GOD for all the wonderful blessings! We are so blessed to have such a loving congregation who want to glorify God through VBS. Our ministry touches the hearts of everyone involved.

Blessings from the whole VBS staff
