

One "watches" (and thus prepares) differently depending upon the end-time view one holds. Is YOUR view as explicitly biblical as the one below?

Rev. 6 covers an unidentified period of time which includes the Great Tribulation period but which may or may not include the period of the Beginning of Sorrows/Birth Pains. Seal 1 has begun; Seal 2 is beginning to unfold. Rev. 13 & 14 address specific details concerning events and movements which will transpire during the reign of the antichrist (1st beast of Rev. 13) and his false prophet (2nd beast of Rev. 13) – most likely taking place, in part, during the 5th Seal when great tribulation against "their fellow servants and their brethren, who would be killed as there were ..." (Rev. 6:11c), unfolds. Rev. 7 goes on to describe these great tribulation Saints.

During the tribulation period, difficult days increase. As it becomes more and more clear the man of diplomacy is indeed the man of lawlessness—in part, due to his requiring the world to yield to his program, which will include the mandate to syncretize all religious ideologies into one belief system whereby (they say) global peace can be secured—God's people in Jesus Christ will speak out, exposing the antichrist for who he really is. This will bring on an all-out war against the Saints, including a period of great tribulation. But God delivers, eventually setting up His eternal Kingdom!
