### Worldly Rules

#### Daniel 1

As God's people were told the kingdom rules must be followed,

so too will God's people in Jesus Christ be told to follow the new kingdom rules, or else!

### Adulterous Worship

#### Daniel 3

As God's people were told they must worship in a certain way,

so too will God's people in Jesus Christ be told they must worship the image of the beast, or else!

### Relational Restrictions

#### Daniel 6

As God's people were denied their right to worship freely,

so too will God's people in Jesus Christ be denied their right to worship Yeshua Yahweh, or else!

It has come time to either stand up for Jesus Christ or reject Him, for He does not welcome those who are *lukewarm*. Remember, your decision on this matter could affect your eternal state.
