“ I dreamed I met a Galilean; a most amazing man. He had that look you very rarely find; the haunting, hunted kind. I asked him to say what had happened, how it all began. I asked again; he never said a word, as if he hadn’t heard. And next, the room was full of wild and angry men. They seemed to hate this man. They fell on him and then they disappeared again. Then I saw thousands of millions crying for this man. And then I heard them mentioning my name, and leaving me the blame.		
Were you there when they crucified my Lord? O, sometimes it causes me to tremble.
