## Logan's Lines

There once was a man whose only horse broke away and ran loose. His neighbors came to him and said, "What a stroke of bad luck!" The man replied, "You never know." A few days later, the horse returned with three wild horses. His neighbors came to him and said, "Wow! What luck you have! You now can break in three new horses to ride! What a blessing." To which the man replied: "You never know." A few weeks later, the man sent his son to break in the wild horses, but he fell off the horse and broke his leg. "How awful!" his neighbors exclaimed, "You have been dealt a terrible hand with these horses." "You never know," the man replied. The next day, someone came by to bring the young men of the town to war, but they passed by the man's son on account of his broken leg. "A gift from God!" the people proclaimed. "You never know," said the man.

I could keep going with that story, but you get my point. How are we to know what is a blessing or a curse in this life? You never know what's around the corner. The gift is that we have today. We have the opportunity of the present moment to comfort one another in times of sorrow and celebrate in our moments of joy.

Let's roll with it together, in and through community. Stay soft. Stay open. Allow God's Holy Spirit to heal you and guide you along the way.

Blessings,  
Pastor Logan

### UMWomen News

On Wednesday May 4<sup>th</sup> the Florence unit of **United Women in Faith**, aka United Methodist Women, will come together in the Tedd Powell Hall at 1:00pm.

Hostesses Sharon Gallagher and Rosie Goodwin will serve refreshments. Judy Jones has the devotions and Donna Embree is to review one of the many books she has read. Special guest Suzanne Mann-Heintz will provide information on the Safe Shelter for Siuslaw Students program.

If you have any curiosity about what goes on at UMW, this is a good time to attend as we learn together.

For many years June was the time to go out to lunch but this year a potluck is planned for June 1<sup>st</sup>. After a long absence of not eating or being together, plan to come and bring a favorite dish to share. Watch for more information next month.

Before Easter, an array of cookies were made by many bakers and purchased by happy consumers. Proceeds will benefit local mission projects. Thank you, all!

Jean Hefty, Secretary

#### **SPRC Update**

#### **Congratulations to Pastor Logan!**

On Sunday, April 24, Pastor Logan was ordained at the Spirit of Grace Lutheran Church in Beaverton, Oregon. How lucky our small, but mighty church is, to be blessed with Pastor Logan's youth and energetic persona. Her leadership promises to continue growing our church and our ministries in the Florence Community.

## **A Word From Your Lay Leader...**

"I present for ordination to the ministry of Word and Sacrament, Logan McLean Strike, who has been prepared, examined, and certified for this ministry and who has been called by the church to this ministry through Florence United Methodist Church."

### **Thanks be to God.**

So, with those words, on our church's behalf, I presented Pastor Logan for ordination. Still gives me goosebumps. How blessed we are to have this wonderful collaboration with the Lutheran Church in the appointment of Pastor Logan to our "small but mighty church".

Bishop Laurie Larson Caesar (Lutheran) was the presiding minister over the Service of Ordination to the Ministry of Word and Sacrament and was assisted by our own District Superintendent John Tucker (United Methodist).

Since the service was held in Beaverton, Oregon, I realize it would have been a long day for many of you who might have wanted to attend in support of Pastor Logan, but there were several of you who joined by Zoom. Made me proud to see your faces.

You'll have a special opportunity to not only congratulate Pastor Logan on her ordination, but also welcome her officially as our new Pastor. Our own UMW will be hosting a good old Methodist potluck on Sunday, May 1, right after church in our newly remodeled Fellowship Hall. Bring your favorite side dish. Ham and turkey will be provided. Let's show her how much Methodists love potlucks.

See you Sunday.

Blessings,  
Patt Rollins

## Sunday School News

It was a wonderful start of our Sunday School for all on Easter Sunday. We are delighted to say we had 7 youth, 4 adults and 4 teachers to total 16 in attendance.

We had 3 and ½ classes of smiling faces! There was a “middle class” with youth from 8yr. to 12yr. olds, a “teen class” with students from 13yr. to 16yr. olds, and an adult class....but we won't reveal their ages!

You may be curious about the “1/2 class” I mentioned. Well, we were blessed by the presents of one 5yr. old and one 7yr. old who spent time with the middle class for story and activities and they broke off with their own teacher for fun and lessons more geared to their ages.

We want to encourage you, if you missed it, to join in when you can. Classes begin at 9:15 Sunday mornings for 1 hour and end before worship services. You best hurry to come because classes will end in June for a break until the fall. We'd love to have you!

Peggy Hughes

On Easter Sunday, our church was blessed to have these four young men as visitors from Germany. Matthias Loos, Stephan Loos, David Kunze, and Bjorn Korbel. Their English was good and they were delightful.

They are traveling for six weeks in a motor-home. They plan on going to the California Redwoods, Yosemite, San Francisco, L.A., and the Grand Canyon.

They are all studying forestry and have been friends for about a year. Three of them have Catholic backgrounds and the fourth attends a small charismatic church.

## OFFERING COUNTERS

### Offering Counters

Since returning to worship in the sanctuary, we are looking for volunteers to count and deposit donations following worship on Sundays. Individuals – working in pairs – who volunteer for this role, are approved by the Church Council and receive training.

When properly scheduled, a volunteer's time commitment can be just once a month. If you are interested, call the church at 541-997-6025, or email us at [florenceumc@florenceunitedmethodist.org](mailto:florenceumc@florenceunitedmethodist.org).

If you have performed this service in the past, the church will be happy to provide a "refresher" course, since some procedures have been modified.

Linda Yoder

The "clipboards of opportunity" have returned and are placed on the south wall of the entrance to the sanctuary. The dates are left blank so that you may choose your availability. The five opportunities for ministry are:

★ flowers   ★ cleaning   ★ sound booth   ★ liturgist   ★ usher/greeter

Just list a date you're available, and you will be called to make arrangements.

Excerpts from a letter of the Executive Director of Camp & Retreat Ministries,  
Todd Bartlett...

April 21, 2022

"The Oregon-Idaho Board of Camp and Retreat Ministries has launched "Lighting the Way to a Brighter Future". This will raise \$75,000 to help us become more environmentally friendly and increase our chances for long-term sustainability, by bringing solar power to the Alton L. Collins Retreat Center and Wallowa Lake Camp in 2022."...

..."Some benefits that we can expect from these two projects:

- Supply approximately 242,500 kWh of clean and sustainable power from the sun each year, eliminating more than 189 tons of greenhouse gas emissions, equivalent to not driving a car approximately 426,949 miles, or not burning 190,868 pounds of coal annually.
- For the next 25 years, these panels will save the Alton L. Collins Retreat Center an estimated \$432,684 in electric bills and Wallowa Lake an estimated \$154,000 in electric bills. With panels expected to last longer than 25 years, there will be even greater savings.
- Create a unique new relationship between the Alton L. Collins Retreat Center and its community, by allowing community members to earn a return from investing in the solar project."...

..."you have two ways that you can support this project financially.

First, you can donate to Camp and Retreat Ministries either as a one-time donation (check mailed to the camping office, address below) or online [here](#), or as an on-going donation (online, or call 503-802-9214 or email [Holly@umoi.org](mailto:Holly@umoi.org) if you need assistance with this). Help us reach our goal of \$75,000.

Second, you can invest in this project. By doing so, you contribute the amount you desire (in multiples of \$1,000) through the Oregon Clean Power Cooperative (OCPC), and you will receive 4% return on your investment over 10 years. For more information on this option send an email to: [info@oregoncleanpower.coop](mailto:info@oregoncleanpower.coop). Click [here](#) to see the proposal from Oregon Clean Power Cooperative for Alton L. Collins or [here](#) for the Wallowa Lake Camp proposal.

I am so excited to step into this brighter future that allows us to live more completely into our mission and vision for Camp and Retreat Ministries and its impact on the world. Please join me in taking a step toward reducing our environmental impact as well as increasing our ability to impact lives for a brighter future. I thank you, the Earth thanks you, and future generations will thank you."...

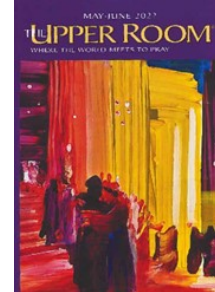

Todd Bartlett  
Executive Director

### **Bottle Drop – for Camperships**

We hope Bottle Drop is a win-win for our campers.
