

The Injustice of Racial Discrimination (part 2)

James 2:1-6, Proverbs 14:15-18

☒ Review

- ☞ God's heart is for racial equality & unity in His Kingdom
- ☞ We must listen to the hurt & pain of those who have experienced racial discrimination
- ☞ Because of our corporate identification as Americans, we too must repent of our nation's history & current practices of racial discrimination
- ☞ As we identify with those who have been hurt by racial discrimination, and as they become close friends—then racial discrimination goes from their problem to our problem
- ☞ Recognize that racial discrimination runs much deeper than we think

☒ God's heart for racial equality & unity in His Kingdom (part 2)

☒ Things that don't help (i.e.- things that lend to partiality vs. impartiality)

- ☞ We must not _____ or _____ those who perpetrate violence and/or looting in the name of justice
 - We do not encourage _____ by _____. Promoting _____ is never a legitimate excuse for committing _____.
- ☞ We must not allow our political allegiances to _____ the harmful and divisive rhetoric/actions of certain government leaders
- ☞ We must be careful not to _____ various people groups as all good or all bad
- ☞ On the one hand, we need to not _____ the atrocities and injustice of police brutality. On the other hand, we need to be careful not to make _____ based on 20-second video clips
- ☞ We must be sure that the actions that we (and our government leaders) enact really do help to _____ and _____ the problem of racial injustice
