

St. Paul's News

OCTOBER 2017

St. Paul's,

Happy October! As many of you know starting in September we began a sermon series on Sunday mornings called WHOLE. We have been learning that as Christians we are all called to wholeness and we are called to offer wholeness to others. To be whole is to be well physically, healed emotionally, obedient spiritually, loved unconditionally, and empowered financially.

As a part of this series I have been encouraging those of you who are with us on Sunday morning to fill out a bulletin insert sharing how you are already involved in making wholeness happen in our community. It has been exciting thus far to see the many ways those in our congregation are involved in serving our community through so many different volunteer organizations. The goal of this project is to be able to display all the different community organizations our church is involved in with a little information on what the organization does. This will allow those looking to be more involved to learn about ways they can serve our Tiffin community. It will also allow those in our church and those in the community who set foot in our building each week to discover organizations that may be able to assist them if they are in need. If you have not already filled out a form or if you have

more than one organization you are involved in (I know many of you are very involved in our community!) answer the following and get it to me either by dropping it off at the church or by email (tuckerhe1@gmail.com)

1. Name of Organization
2. What does this organization do?
3. Your Name
4. How are you involved?
5. Who should somebody contact to get involved?

It continues to be a joy to serve the community with our congregation. I am thankful for a church that is so clearly driven to not only grow in wholeness in their own lives but offer wholeness to others. As Matthew 6:33 reminds us, "But strive first for the kingdom of God and his righteousness, and all these things will be given to you as well."

Peace,
Pastor Hannah

Trustee Report Update!

The roof on the church's educational building has been repaired. The trustees continue to seek funds for the replacement of the church's main roof the cost will be around \$175,000.

Volunteers continue to do general maintenance and cleaning of the church on a weekly basis. The boilers recently had a complete maintenance overhaul and should be ready for cold weather! The elevator also was repaired as well as the gym had tile replaced. Duane Hoffert has been busy replacing our older light bulbs with new energy saving bulbs throughout the church. The list is endless!

The yearly inspection was completed on the parsonage with only minor issues to correct mainly exterior such as Large bushes needing removed and foundation blocks to be replaced or repaired. The interior is in excellent condition.

Thanks to all who continue to help on the upkeep of our beautiful church.

Please note there will be a clean-up day on November 4th from 9am-12pm lunch will be served and all are welcome to come and help out!!
