Pastor's Letter

1 Peter 1:8&9: Although you have not seen [b] him, you love him; and even though you do not see him now, you believe in him and rejoice with an indescribable and glorious joy, **9** for you are receiving the outcome of your faith, the salvation of your souls.

February is the month of love because of Valetine's Day. We've seen heart imagery just about everywhere. I wanted to share this meditation I wrote with you all. I've been thinking about it as I've travelled over to Bozeman and down to Houston. May it bring you an awareness of God's presence.

Place your hand on your heart. Feel that beat for a minute.

Now take that hand away.

Even though you may no longer feel that beat, it is still there, moving you, helping you think, helping you live, helping you struggle, helping you be you.

So it is with God. Though we might not see that presence and so many times we may not feel it, we still hold love in our hearts for all good, all creation, all beauty and strength that God brings.

When we realize that God' presence, hope, grace, and love are like a heartbeat, moving and animating even when we do not feel it, may it lead us to joy.
